Transmission	7-speed S tronic	Combined **	26 mpg MPGe
Drivetrain	quattro all-wheel drive with ultra technology	Fuel (gal) ***	14.8
		Recommended fuel	Premium Unleaded

Further information

* Top track speed electronically limited in the U.S. Always obey speed and traffic laws.

** EPA estimates. Your mileage and emissions will vary and depend on several factors, including your driving habits and vehicle condition. See www.fueleconomy.gov for details.

*** Never drive until the tank is completely empty. The irregular supply of fuel that results from that can cause engine misfires. Uncombusted fuel will then enter the exhaust system. This can cause overheating and damage to the catalytic converter.
